Please share my info on the Facebook page. Yes No

Healthcare Equality Pledge

Lesbian, gay, bisexual and transgender (LGBT) persons have a right to competent and sensitive healthcare providers, who understand their unique health concerns and treat them and their families with respect. To be listed in the Wichita LGBT-Friendly Directory, you must affirm each of the statements below. For more information about the unique health concerns of LGBT individuals, we encourage you to visit our website for resources, webinars and the latest information at www.wichitaLGBHealth.org.

initial here I welcome lesbian, gay bisexual and transgender individuals and families into my practice and offer all health services to patients on an equal basis, regardless of sexual orientation, gender identity, marital status and other non-medically relevant factors.

initial here I commit to taking steps to make my practice fully inclusive of lesbian, gay, bisexual and transgender persons as reflected in written forms, policies and procedures, appropriate training for all clinical and administrative staff.

initial here I commit to taking steps to learn about the unique health concerns of lesbian, gay, bisexual and transgender individuals and families so that I can provide the highest quality care to them.

By signing below, I agree that I have read and understand the above pledge and I affirm my commitment to nondiscrimination and creating a welcoming environment for lesbian, gay, bisexual and transgender persons in my practice.

Wichita LGBT Health Coalition

Mission

To develop a network of advocates and healthcare providers seeking to enhance all areas of LGBT health.

Goals

- Convene advocates & partners to address LGBT health-related issues and to improve coordination of events, resources, funding, etc;
- Bring awareness of LGBT health-related issues to healthcare providers and the public;
- Share LGBT-related health resources with Providers;
- Maintain an online LGBT-Friendly Provider Directory and resource center for LGBT health resources;
- Address policy issues to improve health outcomes.

Get connected

Looking for an LGBT-Friendly health resource? The Directory can be found at www.wichitaLGBThealth.org.

Updated 1/2016
